Approval of Minutes:

Ms. Eisnaugle moved to accept the minutes of the March 19, 2007 Old Town Committee meeting and was seconded by Ms. Turner. All ayes, motion carried.

VOTE: AYES: Ms. Eisnaugle, Ms. Turner, and Mr. Jarvis.

NAYS:

Resolved Items:

02-07 Sound System for Stradley Park

Mr. Jarvis stated that he wants to confirm that sound system is for the entire downtown core area. He said he believes committee's approval was to take it full council and wants to make sure this part is clear. Mr. Jarvis asked if full council would be entertaining legislation regarding the sound system. Mayor Miller said it is under the limit that council needs to approve and is within he is allowed to approve. Ms. Eisnaugle suggested that a letter be sent out to all the businesses about the sound system so they know what is going on. Mr. Strayer will take care of the notices about the sound system. Ms. Turner stated that the residents need to be figured into this also. Mr. Jarvis agreed that there needs to be more work done on this and to put it back under pended items for the next meeting.

Pended Items:

06-01 Interurban Building

Mr. Jarvis said that communication has gone our or will shortly be going out to key stake holders regarding the future of the interurban building. The goal is to do this in about three meetings; the first meeting will be to go over the background and rehash what he went over before, the second meeting will be to brainstorm on the various options, and then the third meeting will be to lay out the plan. He said they are also shooting for a brainstorming meeting and to go through the building on April 19th at 7:00 pm at the village offices.

New Items for Discussion:

03-07 Uses for the Green Space of Stradley Park

Mr. Jarvis said there is still some information that needs to come in on this topic and requested that this be pended over to next month.
